If you ever have a question about Safe Ministry please do not hesitate to contact your Church SRE Coordinator.

SRE and Safe Ministry - If you have a concern for a child in your SRE class and think that they might be at current risk of harm or have previously experienced harm you need to speak to the classroom teacher or School Principal. It is also important that you write a record for yourself about what you heard or observed, the child's name, any comments that you made in relation to that incident, the name of the person at school who you reported your concern to and the date on which you did that.

It is also important to let your church SRE Coordinator be immediately made aware of your report.

All reports will be managed by the Saltbush Evangelical Church Safe Ministry Supervisors.
